----- is a graduating senior planning to attend LTCC. ----- currently resides with his sister and his three year old nephew who he is helping to raise. ----- is an amazing survivor of a family of addiction. He describes his up -bringing as violent and full of alcohol and drugs. ----- mom is currently fighting an addiction as is his older brother who lost custody of his son to ----- and his older sister. Additionally, -----'s step father committed suicide within this time frame as well. Despite the trauma this young man has lived through he remains one of the most optimistic, friendly students I have had the pleasure to meet. He has kept his grades up and participated in athletics throughout his high school career. He states that his faith in God has allowed him to become the person that he is today. ----- is very deserving of the HERO award
